

Our Industrial Division provides equipment, service, and installation for compressed air, natural gas, nitrogen generation, pneumatic conveying, and fluid pumping equipment.

## Compressed Air & Gas

Energy-efficient lubricated & oil-free air compressors

Reciprocating air compressors and Quick-Lock piping systems

Vacuum pumps & portable air compressors

Gas Compression Equipment & Boosting Systems

Nitrogen generation systems

Compressed air treatment and condensate management systems

Pressurized containers for propane, compressed air, & gas

Custom & Engineered-to-order vessel designs, & pressure vessel solutions

Compressed Air & Vacuum System, Monitoring, Controlling and Sequencing

## Fluid Pumping Equipment

Gear, vane, & centrifugal pumps for the transfer of liquid, gas, & chemicals

Air-operated double diaphragm (AODD) pumps

Process pumps for chemical, industrial, and municipal applications

Heavy Duty End Suction, and Split Case Pumps for the Industrial market

Hydraulic, mechanical, & solenoid-actuated diaphragm-metering pumps

Horizontal, Vertical, Multistage, & Submersible pumps for Industrial applications

Mechanical & Polymer seals, packing & gaskets, industrial lubricants, & industrial coating

Rubber-lined and High Chrome pumps for abrasive slurry applications

Peristaltic Hose Pumps

End Suction, Split-case, & turbine pumps for every application

End Suction, Split Case and Vertical Turbine Pumps for the Industrial Market

Sanitary Lobe & Centrifugal pumps

Non-metallic, corrosive service process pump

Horizontal & Vertical pumps

Horizontal, Vertical, Self-Priming, Vortex, Cantilever pumps

Air-Operated Double Diaphragm (AODD) Pumps

Positive Displacement Pumps for chemical, sanitary, etc. applications

Industrial Process Pumps for temperatures to 850° F

Gear & Centrifugal Pumps

End-suction and self-priming centrifugal pumps

Vertical Turbine, End Suction Centrifugal, Split Case Centrifugal, and Sump Pumps

Submersible & centrifugal jet pumps for industrial uses

Centrifugal Pumps for building & water mgmt., & industrial applications

Metal & Plastic AODD pumps

Vertical Turbine Pumps

Engineered Fire Pump Solutions

Industrial & Commercial pumps; Self Priming Pumps, Centrifugal Pumps

Pumps, mixers & engineered systems for mining, oil & gas, and chemical industries

Progressive Cavity Pumps

Gear Pumps, PC Pumps, Flow Dividers

Self-priming centrifugal and gear pumps...etc

# Electrical Components

Operating mechanisms, insulation parts, and cooling systems to OEMs

Electric Motors, Drives and Components

Carbon brushes, brush holders, spring assemblies, shaft grounding, specialty carbons

Electrical carbon brushes and collectors, brush holders, slip rings and linear transfer systems

Electrical Motors, Sustainable Motors, Drivers & Controls

Counters, encoders and couplings

Encoder communication devices

Variable Speed Drives

Engineered durable product solutions

Electrical panels & liquid level controls

AC Motors, Large Induction Motors, DC Motors, Synchronous Motors

## Service 24-Hour Call Center 866.577.2755

- Upgrades Retrofits & Repairs
- Service & Part Agreements
- Systems Engineering Assessment
- Efficiency Surveys
- Equipment Training
- Equipment Start-Up Assistance
- Complete Packaged Systems
- Laser Alignment
- Vibration Analysis
- Compressed Air Audits, Oil Sample Testing, System Analysis & Repairs
- Complete Compressor Installs Including Piping

## Parts & Accessories

Energy-efficient lubricated & oil-free air compressors

Mechanical & Polymer seals, packing & gaskets, industrial lubricants, & industrial coating

Positive displacement flow meters, electronic registers, mechanical registers and printers and rebuilt meters

Bulk loading and unloading solutions for the safe transfer of hazardous products

Automated Lubrication Systems

Compressors, Parts, & Lube

Manual rewind, hand crank, spring rewind, electric rewind, air and hydraulic reels

Pumps, mixers & engineered systems for mining, oil & gas, and chemical industries

Manual rewind, hand crank, spring rewind, electric rewind, air and hydraulic reels

Gear motors, electric motors and drive electronics

Flow meters, meter accessories and electronic registers

Sanitary Valves, Fittings, Clamps, etc

Storage and Containment Solutions

Liquid flow meters, flow monitors, sensors and control equipment
