

Northwest Pump

PETROLEUM & INDUSTRIAL

WASHINGTON Industrial DIVISION

Our Industrial Division provides equipment, service, and installation for compressed air, natural gas, nitrogen generation, pneumatic conveying, and fluid pumping equipment.

Compressed Air & Gas

Energy-efficient lubricated & oil-free air compressors

Reciprocating air compressors and Quick-Lock piping systems

Portable Air Compressors and Portable Surface Dewatering pumps

Gas Compression Equipment & Boosting Systems

Nitrogen generation systems

Compressed air treatment and condensate management systems

Pressurized containers for propane, compressed air, & gas

Custom & Engineered-to-order vessel designs, & pressure vessel solutions

Compressed Air & Vacuum System, Monitoring, Controlling and Sequencing

Fluid Pumping Equipment

Gear, vane, & centrifugal pumps for the transfer of liquid, gas, & chemicals

Rubber-lined and High Chrome pumps for abrasive slurry applications

Process pumps for chemical, industrial, and municipal applications

Air-operated double diaphragm (AODD) pumps

Mechanical & Polymer seals, packing & gaskets, industrial lubricants, & industrial coating

End Suction, Split Case and Vertical Turbine Pumps for the Industrial Market

Peristaltic Hose Pumps

Centrifugal Pumps for building & water mgmt., & industrial applications

Horizontal, Vertical, Multistage, & Submersible pumps for Industrial applications

Heavy Duty End Suction, and Split Case Pumps for the Industrial market

Horizontal & Vertical pumps

Pumps, mixers & engineered systems for mining, oil & gas, and chemical industries

End-suction and self-priming centrifugal pumps

Gear & Centrifugal Pumps

Submersible & centrifugal jet pumps for industrial uses

Positive Displacement Pumps for chemical, sanitary, etc. applications

Industrial Process Pumps for temperatures to 850° F

Non-metallic, corrosive service process pump

Horizontal, Vertical, Self-Priming, Vortex, Cantilever pumps

Vertical Turbine, End Suction Centrifugal, Split Case Centrifugal, and Sump Pumps

Metal & Plastic AODD pumps

Progressive Cavity Pumps

Hydraulic, mechanical, & solenoid-actuated diaphragm-metering pumps

Vertical Turbine Pumps

Engineered Fire Pump Solutions

End Suction, Split-case, & turbine pumps for every application

Air-Operated Double Diaphragm (AODD) Pumps

Industrial & Commercial pumps; Self Priming Pumps, Centrifugal Pumps

Gear Pumps, PC Pumps, Flow Dividers

Self-priming centrifugal and gear pumps...etc

Electrical Components

Operating mechanisms, insulation parts, and cooling systems to OEMs

Electric Motors, Drives and Components

Carbon brushes, brush holders, spring assemblies, shaft grounding, specialty carbons

Electrical carbon brushes and collectors, brush holders, slip rings and linear transfer systems

Electrical Motors, Sustainable Motors, Drivers & Controls

Counters, encoders and couplings

Encoder communication devices

Variable Speed Drives

Engineered durable product solutions

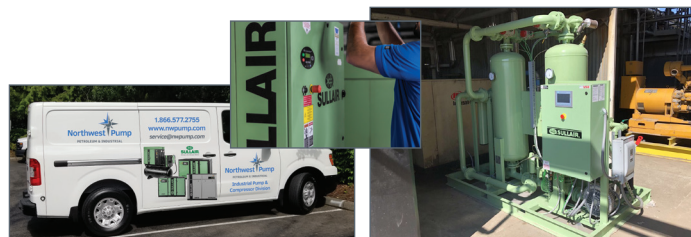

Electrical panels & liquid level controls

AC Motors, Large Induction Motors, DC Motors, Synchronous Motors

Service 24-Hour Call Center 866.577.2755

- Upgrades Retrofits & Repairs
- Service & Part Agreements
- Systems Engineering Assessment
- Efficiency Surveys
- Equipment Training
- Equipment Start-Up Assistance
- Complete Packaged Systems
- Laser Alignment
- Vibration Analysis
- Compressed Air Audits, Oil Sample Testing, System Analysis & Repairs
- Complete Compressor Installs Including Piping

Parts & Accessories

Energy-efficient lubricated & oil-free air compressors

Mechanical & Polymer seals, packing & gaskets, industrial lubricants, & industrial coating

Positive displacement flow meters, electronic registers, mechanical registers and printers and rebuilt meters

Bulk loading and unloading solutions for the safe transfer of hazardous products

Automated Lubrication Systems

Compressors, Parts, & Lube

Manual rewind, hand crank, spring rewind, electric rewind, air and hydraulic reels

Pumps, mixers & engineered systems for mining, oil & gas, and chemical industries

Manual rewind, hand crank, spring rewind, electric rewind, air and hydraulic reels

Geared motors, electric motors and drive electronics

Flow meters, meter accessories and electronic registers

Storage and Containment Solutions

Liquid flow meters, flow monitors, sensors and control equipment
