

# Northwest Pump

PETROLEUM & INDUSTRIAL

## WASHINGTON Industrial DIVISION

Our Industrial Division provides equipment, service, and installation for compressed air, natural gas, nitrogen generation, pneumatic conveying, and fluid pumping equipment.

### Compressed Air & Gas

Energy efficient lubricated and oil free air compressors

Reciprocating air compressors and Quick-Lock piping systems

Gas compression and boosting systems

Nitrogen generation systems

Compressed air treatment and condensate management systems

Pressure vessels for containment of propane, compressed air, and gas

Wide range of capabilities in fabricating stock, custom & engineered-to-order vessel designs, and pressure vessel solutions

Compressed Air & Vacuum System, Monitoring, Controlling and Sequencing

### Fluid Pumping Equipment

Positive displacement and Centrifugal Pumps for the transfer of liquid, gas and Chemicals

Metso:Outotec

Rubber-lined and High Chrome pumps for abrasive slurry applications

Process pumps for chemical, industrial, and municipal applications

End Suction, Split Case, and Vertical Turbine Pumps for every application

Sealing Solutions, Mechanical seals, packing & gaskets, industrial lubricants, ARC industrial coatings, and polymer seals

End Suction, Split Case and Vertical Turbine Pumps for the Industrial Market

Air-operated double diaphragm (AODD) pumps

Horizontal, Vertical, Multistage and Submersible Pumps for water and Chemical applications

Heavy Duty End Suction, and Split Case Pumps for the Industrial market

High Efficient Horizontal, Vertical, Self-Primer and Prime Assist Pumps

Seal or seal-less gear pumps for thin or vicious liquids

End-suction and self-priming centrifugal pumps

High-quality dependable pumps for almost every flow application

Severe Industrial Pumps, Mining Pumps, Water & Wastewater Pumps

Positive displacement pumps for chemical, food & beverage, sanitary, etc applications

Industrial Process Pumps for temperatures to 850° F

Non-metallic, corrosive service process pump

Horizontal, Vertical, Self-Priming, Vortex, Cantilever pumps

Portable Air Compressors and Portable Surface Dewatering pumps

Submersible and end suction pumps for the Industrial Market

Progressive Cavity Pumps

Centrifugal Pumps for building services, water management, & industrial applications

Vertical Turbine Pumps

Engineered Fire Pump Solutions

Self-priming centrifugal and gear pumps...etc

Supplier of pumps, mixers and engineered systems to the Mining, Environmental, Oil & Gas and Chemical industries

Industrial & Commercial pumps; Self Priming Pumps, Centrifugal Pumps

Gear Pumps, PC Pumps, Flow Dividers

# Electrical Components

Operating mechanisms, insulation parts, and cooling systems to OEMs

Electric Motors, Drives and Components

Carbon brushes, brush holders, spring assemblies, shaft grounding, specialty carbons

Electrical carbon brushes and collectors, brush holders, slip rings and linear transfer systems

Electrical Motors, Sustainable Motors, Drivers & Controls

Counters, encoders and couplings

Encoder communication devices

Variable Speed Drives

Engineered durable product solutions

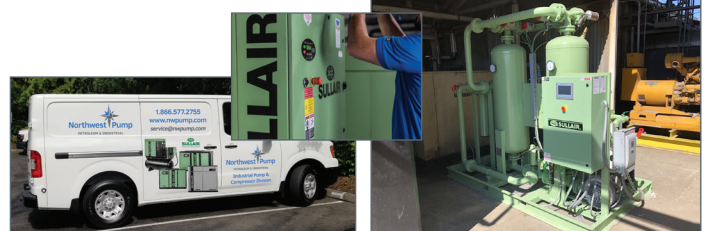

Electrical panels & liquid level controls

AC Motors, Large Induction Motors, DC Motors, Synchronous Motors

## Service 24-Hour Call Center 866.577.2755

- Upgrades Retrofits & Repairs
- Service & Part Agreements
- Systems Engineering Assessment
- Efficiency Surveys
- Equipment Training
- Equipment Start-Up Assistance
- Complete Packaged Systems
- Laser Alignment
- Vibration Analysis
- Compressed Air Audits, Oil Sample Testing, System Analysis & Repairs
- Complete Compressor Installs Including Piping

## Parts & Accessories

Air treatment and downstream filters, fluid analysis, filters and fluids, and condensate management

Sealing Solutions, Mechanical seals, packing & gaskets, industrial lubricants, ARC industrial coatings, air and polymer seals

Positive displacement flow meters, electronic registers, mechanical registers and printers and rebuilt meters

Bulk loading and unloading solutions for the safe transfer of hazardous products

Automated Lubrication Systems

Compressors, Parts, & Lube

Manual rewind, hand crank, spring rewind, electric rewind, air and hydraulic reels

Supplier of pumps, mixers and engineered systems to the Mining, Environmental, Oil & Gas and Chemical industries

Manual rewind, hand crank, spring rewind, electric rewind, air and hydraulic reels

Geared motors, electric motors and drive electronics

Flow meters, meter accessories and electronic registers

Storage and Containment Solutions

Liquid flow meters, flow monitors, sensors and control equipment
