

Our Industrial Division provides equipment, service, and installation for compressed air, natural gas, nitrogen generation, pneumatic conveying, & fluid pumping equipment.

Compressed Air & Gas Equipment

Energy-efficient oil free air compressors, oil flooded compressors, oil less compressors

Oilless Compressors & Compressed Air Piping Systems

Air treatment, Air Dryers, Oil Content Monitoring,

Nitrogen Generation Systems, air treatment options, air filtration

Vacuum pumps & controllers

Abrasive & Chemical Pumping Equipment

Pump applications dependant upon compatability with materials of construction. For specific recommendations and solutions reach out to a Northwest Pump Applications Engineer.

Specialty AODD Pumps designed for ultra-pure chemical applications

Eccentric Disc pumps with sealless designs, flow reversal capabilities

High Purity AODD pumps with integrated piston diaphragms

Non-Metallic, fiberglass corrosive service process pumps

Centrifugal pumps designed for seal integrity in harsh applications

Thermoplastic Chemical Sump Pumps & Magnetic Drive Self-priming pumps

Metallic Centrifugal Chemical Pumps Industrial Process Pumps for temperatures up to 850° F

ANSI Centrifugal Process Pumps and ANSI Self-Priming Pumps

Chemical & Abrasive Slurry Pumps for rugged applications

Process Pumping Equipment

Horizontal, Vertical, & Submersible Centrifugal pumps for industrial applications; Chemical Dosing Pumps

Heavy Duty End Suction & Split Case Pumps for Industrial Markets

Gear, & Vane Pump and Packages

Metering Pumps & Packages

Centrifugal Pumps for building & water mgmt., & industrial applications

Vertical Turbine, End Suction Centrifugal, Split Case Centrifugal, & Sump Pumps

Pumps & Engineered Systems

Engineered Fire Pump Solutions

Metal end-suction single-stage centrifugal pumps for industrial use

Centrifugal pumps, sump pumps, dry-well & turbine pumps

Progressive cavity & gear pumps

Horizontal & vertical centrifugal pumps

Plastic & metal AODD Pumps

Centrifugal magnetic drive pumps, drump pump, seal & seal-less desgins available

Horizontal, Vertical, Self-Priming, Vortex, & Cantilever Pumps

Regenerative Turbine Pumps, & Centrifugal Pumps

Peristaltic Hose Pumps

Parts & Accessories

Chemical mixers- top or side options, portable mixers; High temp & high pressure options available

Industrial lubricants, chemical-resistant coatings, Mechanical & Catridge seals, packing, automation equipment, reliability management solutions

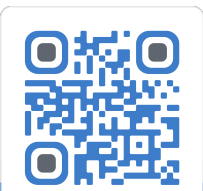

Peristaltic Hoses & Part Kits

Chemical-resistant diaphragms, repair kits, Surge Dampeners, & other accessories

Air dryers, air filtration, oil filters, oil/water separators, compressor lubricant, auto drains
